Dr. Moore became a member of the Faculty on January 8, 1866, as Tutor, doing general teaching in Ancient Languages and Mathematics. In 1868 he was made an Adjunct Professor and in 1872 Professor of Mechanics and Experimental Philosophy.

The following additions to the Faculty have been made during the year:

From 1891 to 1893 he studied in the Department of Mathematics, Chemistry and Physics at Princeton University. From 1893 to 1895 he taught in the Department of Physics at Williams College and from 1895 to 1897 studied at the University of Göttingen, Germany, receiving the degree of Ph.D. He afterwards taught at Harvard University and at the time of his coming to Lafayette was Professor of Physics at Center College at Danville, Kentucky.

SONGS OF LAFAYETTE.

A book entitled the "Songs of Lafayette" is now in course of preparation and will be ready for delivery this summer. It was the intention of the editor, Walter C. Stier, '84, Easton, Pa., to have a small book of the Lafayette songs ready by Commencement, but recently the largest publishers in this line have placed at his disposal all the best known college songs. The book will therefore be enlarged and will contain not only strictly Lafayette songs but practically all the best known college songs. This will enlarge the size, which will be about one hundred and thirty pages, and increase the usefulness of the book. The price of the book will be one dollar, postage twenty-five cents extra. Those desiring copies can obtain them from the editor.

ALUMNI ASSOCIATION.

President, J. E. Durham, '78, Philadelphia; *Vice-president*, R. F. Whitmer, '85, Philadelphia; *Secretary and Treasurer*, Rev. J. F. Stonecipher, D.D., '74, Easton; *Executive Committee*, Dr. McCluney Radcliffe, '77, Philadelphia; Fred. R. Drake, '86, Easton; Charles B. Green, '86, Easton; James W. Fox, '88, Easton; Burr W. McIntosh, '84, New York; Rush N. Harry, '89, New York; Casper Dull, '77, Harrisburg. *College Marshall*, Alumni Day, T. A. H. Hay, '76, Easton.

The Alumni Association of the College, which has for its object "to promote the welfare of the College and to maintain good fellowship among the Alumni," will hold its annual meeting in Brainerd Hall at 10.30 A.M., Tuesday, June 22nd. Following this meeting the annual Alumni Luncheon will be served in the College Gymnasium, and it is greatly desired that all of the Alumni in attendance at the Commencement will attend both the meeting and the Luncheon. No features of the Commencement are more delightful to the returning sons of Lafayette, or do more to awaken love for and loyalty to the College.

To meet the necessary expenses of the Association the Alumni are urged to remit, if possible before Commencement, the annual dues, ONE DOLLAR, to the *Treasurer*, J. F. Stonecipher, Easton, Pa.

NEW EDITION OF "MEN OF LAFAYETTE."

The Executive Committee of the Alumni Association has been gathering information for a new edition of "Coffin's Men of Lafayette," but finds itself unable to issue the book yet because many of the Sons of Lafayette have failed to furnish the material concerning themselves and others which is needed to make it the valuable up-to-date adjunct to the College which its predecessors were. Every living former student, graduate or non-graduate, if he has not already done so, is asked to at once coöperate in this matter by sending to either the Registrar or the Secretary of the Alumni Association a brief sketch of his life and any information concerning other Lafayette men which he may deem suitable for such a record. It is especially desired that when men change their ad-

dress or occupation the change shall be promptly reported to the College. In case of deaths the dates and other data are wanted.

The following list contains some names of persons who are probably dead, but of whose death the College has never been definitely informed, and in all such cases the fact and date of the death and if possible some facts as to the life are wanted for record. The other names are of men whose post-office address, and if possible biography, is wanted for record.

This information is much needed and any data that can be supplied should be sent at once to the Secretary of the Alumni Association.
